EMPLOYMENT LAW

Luc Strohl began his career as legal advisor (conseil juridique). He advises and defends corporate clients on the management of individual and collective workplace relations, as also advises such clients in the context of reorganisations, restructurings and conflict prevention. He has also developed a practice in advising executives and managers.

AREAS OF EXPERTISE

- Defending clients before courts and administrations
- Employment aspects of corporate restructuring: audits, redundancy plans
- Employment contracts: entry, amendment, termination
- Collective bargaining procedures, conflict management
- Functioning of employee representative bodies, collective staff regulations
- Criminal aspects of employment law

CAREER

- Wachsmann & Associés since 2000, now Racine since 2013

EDUCATION

- Master's (DESS) degree in business law and in-house counsel diploma (DJCE) from the University of Strasbourg.
