Partner since 2003

INSURANCE – CIVIL LIABILITY

Annie Berland co-manages the Insurance-Civil Liability team.

She acts in both an advisory and dispute resolution capacity and is recognised for her expertise in healthcare law, medical liability, serious personal injury, workplace accidents and product defects. On this basis, she handles high financial value disputes involving medical liability and serious personal injury.

Within the firm, she also advises on matters involving economic rights.

AREAS OF EXPERTISE

- Healthcare law
- Medical liability
