## LITIGATION

Bruno Cavalié regularly advises numerous large French and foreign companies, particularly in the industrial and service sectors.

He mainly handles complex litigation and arbitration cases in corporate law, commercial law, civil law, industrial risks and criminal business law. He also acts as an arbitrator in disputes governed by French law. His areas of expertise include the environment, luxury goods, telecoms, media and high tech.

He has received numerous awards during his career, including being named 'Grand Stratège' in 2015 and 2016 at the Trophées du droit awards.

Bruno Cavalié advised Suez on several aspects of the dispute concerning the takeover bid made by Veolia. He advised the founders of Mediawan (2016) and 2MX Organic (2020), the first two SPACs created in France, and then those of I2PO (2021).
