## MER GERS & ACQUISITIONS - CORPORATE LAW

Maud Bakouche works with French and foreign groups and is principally active in corporate law, mergers and acquisitions, strategic investments and joint ventures in France and internationally, particularly in the media sector. She also advises companies and management teams in their fundraising operations.

Maud Bakouche also advised the founders of Mediawan (2016) and 2MX Organic (2020), the first two SPACs created in France, then those of I2PO (2021).
