Partner at Racine since
2007

BANKING - FINANCE

Pierre Sirot principally handles banking and financial law matters.

He manages litigation connected to the validity and performance of banking and financial transactions and advises his clients at all stages of the dispute (amicable negotiations, conciliation, mediation, arbitration and court proceedings).

Pierre also handles commercial litigation matters and, notably, litigation relating to preventing financial difficulties of businesses, and notably in special purpose trusteeships (mandat ad hoc), voluntary and mandatory liquidation procedures and insolvency proceedings.
